

Quality Policy

Oil Service Group (OSG) is committed to achieve and maintain excellence in Integrated Management System (QHSE) meeting ISO 9001:2015; ISO 14001:2015 & ISO 45001:2018. We will conduct our business in a manner that consistently exceeds the needs and expectations of our customers by continuously providing verified “fit for purpose”, high quality services, complying fully and on time with the applicable requirements.

OSG is committed to:

- Implement effective Management Systems to meet the needs and expectations of customers and enhance their satisfaction.
- Comply with all applicable legal and other requirements related to Quality, Health, Safety, and Environment.
- Provide a safe, sustainable and healthy working environment, prevent injury, ill health, pollution, waste and monitor its performance on regular basis.
- Inculcate Quality, Health, Safety and Environment Awareness among all employees, subcontractors and stakeholders through participative culture and periodic reviews.
- Effectively implement the QHSE systems, constantly review the set policy, objectives and targets, provide resources and improve its performance
- Identify and analyze potential hazards and security threats and implement measures to avoid, prevent, control and restrict the associated risks.
- Monitor performance of the Integrated Management system and strive to continually improve the same.
- Implement effective communication among various levels of the organization, contractors and visitors to the workplace.
- Promote awareness, active participation of workers and consultation with contractors or relevant external interested parties about pertinent OH&S matters.
- Adhere to codes of best practice and comply with our own Standards and Procedures and all applicable International Laws and Standards.
